EXTRACT FROM NOVEMBER 1914 ISSUE

—OF—

Journal of the Royal Institute of British Architects

The R.I.B.A. WAR RELIEF FUND.

Messrs. Alex. Koch & Sons, of 44 Doughty Street, W.C., publishers of the well-known annual, *Academy Architecture*, announce the approaching publication of a Portfolio of Twenty Plates reproduced from drawings of Egyptian Temples and Mosques by Mr. W. J. Palmer Jones. The reproductions are by lithography, the original drawings being done on the stone by Mr. Jones himself and the printing carried out under his personal supervision. The originals, remarkably clever drawings, are in charcoal—a medium eminently suitable for the presentment of these fascinating old monuments ; and the lithograph reproductions, judging by the specimens which have been sent to the Institute for inspection, are admirable. The work was put in hand some time before the war broke out, and the publishing price was originally fixed at three guineas. Messrs. Koch, however, announce that they are prepared to supply copies at the subscription price of two guineas, and they undertake to contribute half the sum received for each copy to the War Relief Fund now being raised by the R.I.B.A. Messrs. Koch desire it to be known that they are naturalised British subjects since 1891, of Swiss origin, and that their junior partner is a British-born subject.

Subscription List closes 31st of March, 1915. Afterwards Portfolios will be sold at £3 3s. 0d. each.
